

Hi! I'm

Jacintha Damström

- a classically trained flutist and circus artist with a varied background. I work with combining different arts and reach out to both young and old with my performances.

I also do improvisation theater and clowning. The best feeling is to hear the whole audience laugh to my non-verbal comedy.

Performing
Artist

**Master of music, circus artist, clown, choreographer,
director and improvisational actress**

SKILLS

Music:

2018: Master in music (flute main subject)
Other music skills: singing (strong), piano (ok)

MERITS

I have won several prizes in both music and circus, including:

First prize, category musical (2012 & 2009) at Deutsche Jugend Musiziert

First prize of the Jugend Europa Circus Festival (2007)

I have performed at several international circus festivals around Europe, such as the Sol y Circ festival (2008).

Nowadays I perform and teach internationally as an improvisational actress.
